

## Upcoming Christian Writers Conferences

- ↵ **Aug 16, 2008; the 4<sup>th</sup> annual American Christian Writers Conference for Springfield, MO.** You may register two ways: e-mail ACW at ACWriters@aol.com or call 1-800-21-WRITE (or 615-834-0450 cell #, or 615-331-8668 office on Tue & Fri) and leave your phone number. They will call you back to get your credit card info. They travel most weeks to do these conferences somewhere around the U.S. so you have to leave a call-back phone number and time when they can reach you. They have also assured me that you can just show up and register the day of the conference (it costs \$10 more).
1. Our OCACW chapter members (paid member on our member's roster) get 5% off the conference, so be sure to tell them you're a member.
  2. Our OCACW chapter members also get an extension on the discounted registration due date, Jul 30; so don't delay.
